Dear Parent(s)/Guardian(s):

Your child, _____, has been selected to participate in the Ventnor School District's mandated Basic Skills/Title I Instructional Program for grades K-4 in Language Arts Literacy.

Selection was based on the following standardized assessments (NJ PASS, NJ ASK, Harcourt Storytown, DIBELS), teacher recommendation and final report card grades.

The Basic Skills program provides students with supplemental reading assistance in the classroom setting as well as out of the classroom for small group instruction. Depending on your child's reading needs, he or she may be pulled out of afternoon cycles/specials for individual or small group tutoring. The BSI and the regular program teachers meet to plan for your child's specific needs.

Our goal is to work with parents to provide the best service possible. Please contact your child's Basic Skills Teacher if you should have any questions. The following is a list of your child's Basic Skills teachers:
