Parental Involvement

2415.04 Parental Involvement

A school district that receives Title I funds must implement programs, activities and procedures for the involvement of parents in programs assisted by Title I funding. The district will reserve not less than one percent of its allocation under subpart 2 to carry out these requirements, (unless the district's allocation is \$5,000 or less), which shall include promoting family literacy and parenting skills. Parents of pupils receiving Title I services shall be involved in the decisions regarding how funds will be allotted for parental involvement activities.

Each school served with Title I funds shall jointly develop with, and distribute to, parents of participating pupils, this parental involvement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of No Child Left Behind Act (NCLB) of 2001, 1119(a) through (f). Parents will be notified of this policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. This policy shall be made available to the local community and updated periodically to meet the changing needs of parents and schools within the district.

"Parent", for the purposes of this policy, means a parent and/or legal guardian. "School", for the purposes of this policy, is a specific school in a Target Assistance Title I program or schools within the district in a school-wide Title I program.

#### Policy Involvement

Each school served with Title I funds will:

1. Convene an annual meeting, at a convenient time, to which all parents of participating pupils shall be invited and encouraged to attend, to inform parents of their school's participation and the requirements of this Policy, and the right of the parents to be involved;
2. Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement;
3. Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs, including the planning, review, and improvement of the school parental involvement policy and the joint development of the school-wide program plan under NCLB, 1114(b)(2);

10. May arrange school meetings at a variety of times, or conduct in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend such conferences at school, in order to maximize parental involvement and participation;
11. May adopt and implement model approaches to improving parental involvement;
12. May establish a district-wide parent advisory council to provide advice on all matters related to parental involvement in Title I programs;
13. May develop appropriate roles for community-based organizations and businesses in parent involvement activities; and
14. Shall provide such other reasonable support for parental involvement activities under this Policy as parents may request.

#### Accessibility

In carrying out the parental involvement requirements of NCLB, 1118 and this Policy, the school and school district, to the extent practicable, shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, to include providing information and school reports required under NCLB, 1111 in a format and, to the extent practicable, in a language such parents understand.

The district will inform parents of any parental information and resource centers that provide training, information, and support to parents and individuals who work with local parents, school districts, and schools receiving Title I funds.

The Superintendent of Schools will submit this Policy to the New Jersey Department of Education for review to be sure the Policy meets the requirements of NCLB, 1118.
